

FRISCO ISD VISUAL + PERFORMING ARTS CENTER (VPAC) OPERATIONS & LAUNCH OVERVIEW

From Commissioning to Full Public Launch

EQUITABLE ACCESS: THE TIERED USAGE SYSTEM

Mission-Driven Prioritization: A 7-tier system designed to ensure student educational needs are met before opening the venue to the public or external rentals.

Tiers 1–3: (April)

Dedicated to District UIL events, staff professional development, and major high school rotations (Musicals and Dance shows).

Tiers 4–5: (May)

Reserved for smaller-scale concert rotations (Band, Choir, Orchestra) and non-rotational Fine Arts opportunities.

Tier 6: (Late May/Early June)

Opens the facility to non-Fine Arts district departments (e.g., Athletics, Teaching & Learning).

Tier 7: (Mid July/Early August)

Fully opens the venue to public organizations and professional companies.

ENSURING EQUITY: THE FOUR-YEAR ROTATION MODEL

Guaranteed Access:

Every high school program (Art, Band, Choir, Dance, Orchestra, and Theatre) is represented on the VPAC stage within a fixed four-year cycle.

Major vs. Minor Rotations:

Major Productions: High-impact events like Theatre Musicals and Dance Spring Shows that require multi-day residencies.

Minor/Concert Rotations: Single-evening events for Band, Orchestra, and Choir.

PHASE 2 - PILOT SEASON: OPERATIONAL STRESS-TESTING

(Sept – Dec 2026)

PHASE 3

TRANSITION TO FULL PUBLIC OPERATIONS

01

December 2026: The Critical Review

- Final Evaluation: Perform a "Pause and Review" of all pilot data to refine crew sizes, fee schedules, and rental contracts.
- Booking Launch: External rental applications officially open for the January–June 2027 season.

02

January 2027: Grand Public Launch

- 100% Operational Status: Transition from "Soft Launch" to full availability for district, community, & professional learning events.
- Fully Active Workforce: Student technicians & adult overhire staff transition into permanent operational schedules.

03

Sustainability Goal

- Maintain the 4-year rotation cycle
- Create new external revenue streams to ensure long-term facility excellence.

VPAC:
A LEGACY
FOR FISD
STUDENTS

Strategic Success Pillars

01

Student-Centered:
Every decision, from Tiers to Rotations, prioritizes FISD students and educational equity.

02

Operationally Sound:
A phased 10-month rollout (May 2026 – Jan 2027) ensures staff and systems are professional-grade before full public access.

03

Fiscally Responsible:
Pilot data will be used to calibrate fee structures and rental models for long-term sustainability.

Immediate Next Steps (Spring 2026)

Finalize technical commissioning and equipment delivery (ongoing).

Initiate Student Worker and Staff Overhire recruitment (April).

Launch Ticket Sales for May Opening Celebration via HomeTown Ticketing.
